

“Forensics Investigations Through Corroboration”

Forensic investigation is the **gathering and analysis of all crime-related physical evidence** in order to come to a conclusion about a suspect.

Shelby Enterprises can conduct a systemic and thorough examination / inquiry into an incident and possible people involved in the incident in your company.

What Shelby Enterprises would do:

- Identify the cause of undesirable situations
- Document and correlate facts surrounding any situation or allegation
- Identify suspects involved in the incident, crime or act of misconduct
- Allow you to make an informed decision as to what action you would like to take – Internal, Criminal case, etc.

Types of Shelby Enterprises investigations offered:

- White Collar Crime
- Employment Theft
- Forensic Auditing
- Criminal Intelligence
- Environmental Investigation
- Safety Investigation
- Accident Investigations
- Sexual Harassment
- Workplace Violence
- Insurance Fraud
- Interviewing
- Resume Fraud

The overall objective of our investigation is to have a successful investigative outcome and/or a resolution of a case.

Shelby Enterprises is the one who seeks the truth for their customers.
